

At **KOPPS** we are committed to providing quality pharmaceutical care along with superior customer service and focused individual attention, a combination that sets us apart from the rest of the industry. At KOPPS, you can count on dependable care from one of our knowledgeable pharmacists who will take the time to talk with you and get to know you and your individual healthcare needs and provide you with the kind of personal attention you deserve.

We provide specialty packaging, physician orders, medical/treatment records, chart reviews, consultations and staff in-services. In addition, we participate in the **Community Health Accreditation Program (CHAP)** which gives us guidance and provides us with a framework critical to meeting the highest standards of excellence in the healthcare industry. We operate our pharmacy safely, simply and cost-effectively.

KOPPS believes it is important to be involved in all aspects of patient care to ensure continued positive outcomes. As you will see, being a part of our family has significant advantages.
